

track+field

The track+field series has one mission. Find the number one school in the country.

It brings the best high school track+field teams from all corners of the country, and is geared to unearth the country's future global superstars by providing high schools with a platform to compete against the best.

Entry is free! But bragging rights are on the line.
Nine regional events. Nine regional champions.

The top schools from around South Africa will then compete in the Grand Final for the track+field crown and the title of the number one high school in South Africa. The best boys and girls school teams in u15, u17 and u19 age groups will get to add to their school's success as every point counts.

Epic battles, thrilling upsets. Every point matters.
